Wire China 2026

September 21 - 24, 2026

SHANGHAI NEW INTERNATIONAL EXPO CENTER CHINA

With over 20 years of experience, wire China has grown into one of the most influential trade fairs for wire and cable industry in Asia. As the organizers of wire China, Messe Düsseldorf (Shanghai) Co., Ltd. and Shanghai Electric Cable Research Institute Co., Ltd., will actively carry out the coming works for the exhibition and present a high-quality trade fair for wire and cable industry. In the four-day exhibition, industry leading brands from Mainland China as well as overseas countries will participate. It is convenient for domestic visitors to experience and understand the state-of-the-art equipment, technologies and solutions without having to travel overseas.

Booth TBA
